Date of Event: Saturday, March 13th, 2027 – 8:00 am to 4:00 pm

Dear father or legal guardian:

Thank you for registering and your willingness to have a minor(s) accompany you to the above event being hosted by Impactus. Our in-person events are designed for adult men, but males younger than 18 years of age can attend when accompanied by their father or legal guardian.

Impactus has implemented a Plan to Protect® Policy, as your minor's safety is a primary concern. Please note that all activities have risks. Precautions will be taken for the well-being and protection of all minors in attendance. Impactus will provide security on site and have staff and volunteers trained to provide safety and protection for all attendees. However, unforeseeable issues could arise, including accidents, slips and falls, injuries, violence or threats of violence, assaults, outrages, abuse, and leaving individuals injured or harmed.

Impactus calls men to live Christ-centered, God-honoring lives, loving and prioritizing their faith and family while addressing the outside demands on their time and resources. The attendees of our events come from surrounding areas and are in different stages of their faith exploration and experience. We often discuss common issues that men struggle with, including purity, pornography, greed, lust, addictions, pride, anger, etc.

Attending this event with the minor(s) accompanying you requires your acknowledgment of the above details and agreement with all the details below.

I undertake and agree to indemnify and hold blameless Impactus and Life Church, Edmonton, Alberta, its personnel, its leaders, and respective Boards from and against any loss, damage, or injury suffered by myself and/or the minor accompanying me as a result of attending this event hosted by Impactus. This consent and authorization are effective only when attending an Impactus event.

I have read, understood, and agree with all the above details and information.

I voluntarily agree and consent to my participation and my minor's participation in this supervised activity with Impactus.
